Excerpts From Standing Orders Relating to Private Bills

97. No petition for any Private Bill shall be received by the House after the first 10 days of each Session, nor may any Private Bill be presented to the House after the first three weeks of each Session, nor may any report of any Standing or Select Committee upon a Private Bill be received after the first four weeks of each Session, and no motion for the suspension or modification of this Standing Order shall be entertained by the House until the same has been reported on by the Committee on Standing Orders, or after reference made thereof at a previous sitting of the House to the Standing Committee charged with the consideration of Private Bills, who shall report thereon to the House. And if this rule shall be suspended or modified as aforesaid, the promoters of any Private Bill which is presented after the time hereinbefore limited, or for which the petition has been received after the time hereinbefore limited, shall in either case pay double the fees required in respect of such Bill by this rule, unless the House shall order to the contrary.

98. (1) Any person seeking to obtain any Private Bill shall deposit with the Clerk of the House, eight clear days before the opening of the Session.

(a) a printed copy of such Bill;

(b) a copy of the petition to be presented to the House;

(c) copies of the notices published, with publication proved by a statutory declaration or affidavit to the satisfaction of the Clerk of the House.

(2) At the time of depositing the Bill and petition the applicant shall also pay to the Clerk of the House the sum of \$300.

(3) If a copy of the Bill, petition, and notices proved as aforesaid shall not have been so deposited in the hands of the Clerk of the House at least eight clear days before the opening of the Session or if the petition has not been presented to the House within the first 10 days of the Session, the amount to be paid to the Clerk shall be \$600. If the Bill shall not pass second reading, one-half of the fees shall be returned.

100. (1) All applications to the Legislative Assembly for Private Bills of any nature whatsoever shall require the publication of a notice clearly and distinctly specifying the nature and object of the application, and when the application refers to any proposed work, indicating sufficiently the location of the work, to be signed by or on behalf of the applicant.

(2) Such notice shall be published in *The British Columbia Gazette* and once a week in one leading daily newspaper freely circulating in all parts of the Province. The notice in such newspaper to appear on Wednesday of each week.

(3) When the proposed Bill is of such a nature that it may particularly affect one or more electoral districts, the notice shall furthermore be published once a week if possible in some newspaper in every electoral district affected, or if there be no newspaper published therein, then in a newspaper published in the electoral district nearest thereto.

(4) The publication of such notice shall in all cases be continued for a period of four weeks during the interval of time between the close of the next preceding Session and the consideration of the petition.

101. Every petition signed by an agent or attorney in fact shall be accompanied by the authority of such agent or attorney in fact, and the petition shall not be deemed to be filed with the Clerk until this is done.

102. Before any petition praying for leave to bring in a Private Bill for the erection of a toll bridge is received by the House, the person or persons intending to petition for such Bill shall, upon giving the notice prescribed by Standing Order 100, also at the same time and in the same manner give notice of the rates which they intend to ask, the extent of the privilege, the height of the arches, the interval between the abutments or piers for the passage of rafts or vessels, and mentioning also whether they intend to erect a drawbridge or not, and the dimensions of the same.

103. (1) All Private Bills for Acts of incorporation shall be so framed as to incorporate by reference to the causes of the general Acts relating to the details to be provided for by such Bills: Special grounds shall be established for any proposed departure from this principle, or for the introduction of other provisions as to such details, and a note shall be appended to the Bill indicating the provisions thereof in which the general Act is proposed to be departed from. Bills which are not framed in accordance with this Standing Order shall be recast by the promoters and reprinted at their expense before any Committee passes upon the clauses.

(2) Every Bill for an Act of incorporation, where a form of model Bill has been adopted, shall be drawn in accordance with the model Bill (copies of model Bills may be obtained from the Clerk of the House). Any provisions contained in any such Bill which are not in accord with the model Bill shall be inserted between brackets or underlined, and shall be so printed.

(3) Any exceptional provisions that it may be proposed to insert in any Bill shall be clearly specified in the notice of application for same.

APPLICATION FOR AMENDMENT OF POLLUTION CONTROL PERMIT PR-3025

THIS APPLICATION is to be filed with the Director, Pollution Control Branch, Parliament Buildings, Victoria, B.C. Any person who qualifies as an objector under section 13 (2) or (3) of the *Pollution Control Act* may, within 30 days of the date of application, or within 30 days of the date of publication in *The British Columbia Gazette* or in a newspaper, or, where service is required, within 30 days of the serving of a copy of the application, file with the Director an objection in writing to the granting of a permit, stating the manner in which he is affected. Those who do not so qualify may file with the Pollution Control Board an objection in writing under section 13 (6), in the same manner and time period as described above.

Blue River Improvement District, Box 136, Blue River, B.C. V0E 1J0, hereby applies for amendments, as described below, to Pollution Control Permit PR-3025, granted on December 11, 1973, which authorized the discharge of 5 cubic yards per day of refuse from municipal and others sources located at Blue River, B.C., to land.

The site of the discharge is the south-east corner of lot 2486, T1 4957P; thence 10 chains north; thence 10 chains west;

thence 10 chains south; thence 10 chains east to point of commencement.

To amend Appendix 01 by deleting those words of item (e) which read "a landfill operation as directed." and substituting therefor the words "a landfill and burning operation as directed".

To amend the permit by adding the following discharge of wood waste-demolition material from local vicinity to land. The average daily volume is 10 cubic yards per day; maximum, 15 cubic yards per day, duration, once per day; frequency, five days per week.

The characteristics of the refuse are industrial wood waste, originating from cedar shake and shingle mills and demolition material.

The additional works proposed are an open burning operation separate from the municipal garbage landfill area.

The purpose of the foregoing amendments is to permit open burning destruction of industrial wood waste and demolition material. The wood waste generated by small operations cannot be burned at the production facilities because of forest fire hazard. The proposed site is protected by a fire break and there is a nearby water source. It is also very accessible to equipment. The area will be under fire watch during burning operations.

This application, dated on July 5, 1978, was posted on the ground in accordance with the Pollution Control Regulations.

To amend Appendix 01 by deleting those words of item (e) which read "the works are a landfill operation as directed." and substituting therefor the words "the works authorized are a landfill and controlled burning operation in accordance with Pollution Control objectives, as directed.

"Burning will be limited to demolition refuse, tree stumps, brush, and the like. Burning of putrescible material is prohibited.
